

CHÂTEAU
LA GRÂCE DIEU DES PRIEURS
SAINT-ÉMILION GRAND CRU

ORGANIZE YOUR EXCEPTIONAL EVENT

In the heart of the Gironde, magnificent landscapes punctuated by vineyards, the jurisdiction of Saint-Emilion was listed by UNESCO as a World Heritage Site in 1999.

Saint Emilion is known all around the world for its splendid wine but it's also undoubtedly one of the most beautiful villages around Bordeaux.

Living to the rhythm of a Saint-Emilionnaise property means taking the time to discover excellent vintages, to share moments of conviviality, to let the rays of the sun embellish your daily life.

Guided by the idea of preserving, restore and share this outstanding heritage, the architect Jean Nouvel and his team have created three exceptional venues to host unforgettable events.

In the middle of 9 hectares of vines, Château la Grâce Dieu des Prieurs offers the ideal place to make your project a succès.

To delight all your guests !
